New Renovations!

Dear visitor,

Stop by at the Forest Cove Warm Springs Pool. We are open to the public on a scheduled basis, yet we also want to accommodate, when possible, your special needs.

Our prices and programs are designed to accommodate youth as well as seniors:

Adult swims: \$6.00

Children and seniors: \$ 5.00

6 yrs and under (to be accompanied by parent) \$ 2.50

10 week aerobics classes \$100

2 week swim lessons (10 classes) \$50

6 private swim lessons \$80

We also provide special swim cards at considerable savings. The cards range from 10 swims (\$40.00), 20 swims (\$70.00) and 30 swims (\$90.00).

The vision we hold for the Forest Cove Pool is to become a destination spa and well-ness center while maintaining the quaint, historic, and natural beauty of the facility. I would welcome your thoughts on this matter.

Sincerely yours,
Bob Pratt
